

OVER 2,000 YARDS LACE AT 5c SATURDAY

With this, the biggest Lace season of late years, and with one of the best Lace values that ever came into this store, you can judge the kind of a sale we shall have on Saturday. There are Laces among the lot, and many of them too, that would easily bring 10c per yard sold in the regular way—the real English Nottingham Torchon Laces, made of heavy double cotton thread in very effective Mexican drawn work and spot patterns, imitations of the very fine hand-made Torchon and the Maltese effects, block teneriff with the honiton edge, etc. They all come directly from the "old country" and were never unpacked until they reached this store. Saturday at

5c Per Yard.
50c For 12 Yards.
